Work smart

**Your benefits from using KingKong-Tools
holder system for Bandit Beast® wood grinders:**

- ▶ heavy duty drop forged holder for extended life
- ▶ 90° contact surface keeps tooth from rotating
- ▶ bolt from the back keeps carbide tooth safely in place
- ▶ no welding due to replaceable wear resistant raker

Bandit® und Beast® are registered trademarks of Bandit Industries, Inc.
The parts shown are not original wear parts of Bandit Industries, Inc.
